

INSURANCE

It is the responsibility of the artist and the venue to make sure there is public liability insurance for the exhibition. This insurance covers the risk of a member of the public injuring themselves through the action of the artist or the venue. You will also need contents insurance to cover equipment/art work within the space for the duration of the exhibition.

For insurance advice and short term cover for your SALA exhibition contact SALA partners City Rural Insurance on 8272 7785 / cityrural.net.au
